5 February 1981

Memorandum of Telephone Conversationwith Steve Noble, State/OES

Mr. Scott Ulm, a staffer of the Senate Energy Committee, has requested that State provide him a "global" briefing on nuclear proliferation. Ulm has been given the responsibility for this issue by Senator Percy. Noble thought CIA should participate in the briefing and requested such support of [redacted] (OLC) who told him that CIA would be willing to brief Mr. Ulm on the Hill in accordance with CIA/OLC policy. Noble will contact Ulm and set a time and place for the briefing on the Hill and will get back to me directly or through [redacted] he is aiming for a one-two hour session for Friday afternoon, 13 February. Ulm has a TOP SECRET (no codeword) clearance.
